

Miss Lynn Sings:

Energy Everywhere!

Specially created for SRP 2014: "Fizz, Boom, Read!"

Kids ages 2-10 (and their adults) will sing, dance, think and learn about the different forms of energy in this interactive concert with Nashville-based musician Miss Lynn. Through songs including, "Move Move Move," "Itty Bitty Nitty Gritty," "Three Little Ducks" and "Frosted with Sprinkles," participants will think about the ways energy is constantly changing forms within and around them in their every day lives!

Now scheduling for June, July and August!

Miss Lynn's Fee Policy: I want to try and perform at every venue that wants to have me. If you would like to schedule a concert, but lack the available resources for my regular performance fee (below), please contact me to see if we can make an arrangement. I am committed to bringing "Energy Everywhere" to families **EVERYWHERE!**

Starting at **\$250** for a single concert; as little as **\$150** for block bookings!

Contact Miss Lynn for more information
or to schedule a performance of "Energy Everywhere!"
